WATERSPORTS

ON WATER ASSISTANT: If you have experience in sailing, kayaking or windsurfing, you can come help us **on water**. We are always in need of competent helms and powerboat drivers to help us throughout the year, especially during our busy months from March to October. You can also sign up to help us at one of our activities – Frostbite Series, Twilight Sailing or Open Sessions.

TIME: 9am-9pm (7 days a week)

ON LAND ASSISTANT: Even if you don't have any prior experience, you can still help us with **on land** activities such as helping out with life jackets, assisting our watersports staff to get along with day-to-day activities and during events. On land assistance is a great way to get hands-on experience before you take on watersports. There are plenty of opportunities to learn sailing, kayaking and windsurfing whenever you feel you are ready!

TIME: 9am-9pm (7 days a week)

YOUTH INSTRUCTOR PROGRAMME (YIP): Our youth instructor programme is an opportunity for all those young enthusiasts who are looking to acquire watersports training. Introduced as a pathway to employment, YIP is meant to offer specialised skills and certification to young watersports volunteers, who'd like to take on watersports instruction as a career. For more details on the Youth Instructor Programme, timelines and the application, please *click here*.
